

REACH Certificate

We certify that all commercial components supplied by MCV Microwave in the form of dielectric resonators, filters and antennas are compliant with REACH regulation EC 1907/2006 and in accordance with the article 33, do not contain any substance with respect to updated 19th Dec 2011 Candidate List (SVHC) in force.

We declare that none of the SVHCs (the Candidate List of Substances of Very High Concern for authorization currently released by ECHA till the date of Jan 15, 2018, please refer to Annex 2) is present in MCV's products and packages in quantities totaling in a concentration equal or above 0.1%.

With regard to the requirement of Article 67 of REACH: A substance on its own, in a preparation or in an article, for which Annex XVII, contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction. We declare that none of the substances in the Conditions of restriction is present in MCV's products and packages.

As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substances in Annex XVII, MCV will evaluate the further revise in time and update this declaration to reflect these changes.

Annex XIV:
